Hi, I wonder if you can help me. I am conducting a survey for a leading wedding magazine. I would like to ask your primary reason for getting married.

1) Romance
2) To Start a family
3) Natural progression
4) Security
5) Financial
6) For 'The day'
7) Other (please specify)

Huge thanks.

3 with 2 added on later as I am 26 and feel it is a bit young to start a family yet.
