

Your wedding cake could be a breathtaking unique centrepiece to your wedding reception. Whether you decide upon something classic and sculptured or something that is more an expression of your personality as a couple - the cake itself can be the starting point of your entire wedding theme and a good talking point amongst guests. Take a look at some of the fascinating designs available.

Many thanks to the cakes supplied by Alison J Swayne , Cakes Nouveaux , Cakes Unlimited , please click on the business name to view more of their designs.
